OUR VISION

We will be a safe community with established programs and facilities, committed volunteers, and we'll be financially stable.

OUR MISSION

To enhance the quality of life in Deer Ridge for today and the future by establishing and fulfilling the common goals, needs and interests of our community.

MESSAGE FROM THE DEER RIDGE BOARD

Retirement of Director At Large, Movie in the Park Coordinator

Congratulations and thank you to Mr. Roy Franco for 15 years of volunteer service and dedication to the community of Deer Ridge and the Deer Ridge Community Association board!

Star on Ice

Your Ice Rink Coordinator, Mr. Gord Miller, was a recent "Trending On Shaw" panellist. You may view the video segment: "Trending On Shaw Jan 20th Part 03", on the web at www.shaw.ca/ShawTV/Calgary/Shows/TrendingOnShaw/#.

If you have any interest, you may find the publishers contact information on "Page 3" of your "Deer Ridge Journal".

Do you have suggestions for your community? Would you like to volunteer on the board?

The next meeting is:

Date & Time: Tuesday, March 17, 2015 at 7 PM

Location: The Trico Centre - Meeting Room 9

You may also contact the Deer Ridge Community Association by visiting the website: DeerRidgeCA.com, or by email: DeerRidgeCA@gmail.com. You may also like us on Facebook, and follow on twitter: @DeerRidgeCA.

Thank you for your support and participation in the community!

What is community?

Community refers to a group of people living in the same geographical location. However, community can also have a larger connotation – having similarities, sharing and participation. A sense of community is important as it gives us the desire to contribute or give-back, the feeling of belonging and something to take pride in.

My family and I moved to Deer Ridge in May of 2013. We have been lucky enough to meet many folks who have lived here for 10, 15 years and longer. We take pride in being a part of a community with long standing residents who have stories to tell. I encourage you to get to know the residents of your community as an opportunity to learn about the history, culture of where you live. Here are some other ways we can get involved and learn about the vibrant, diverse community we live in:

Bring our children to the local playgrounds and meet our neighbours; do some networking and share stories. Carry a garbage bag with us when going for a walk in the neighbourhood and help keep our streets and parks clean.

Encourage and attend local events and festivals. Check our community newsletter and website for opportunities to volunteer, donate or attend.

Help our neighbours, the elderly and those in need. Demonstrate to our children what being a good neighbour or citizen means.

Find and appreciate the positive aspects of our community and share them with our family and friends. This can encourage growth in the community.

Vote and stay current with what is happening in our neighbourhood – help make good decisions for our community by getting involved.

Enjoy where you live and take pride in your community.

in & around your community

March is Community Association Membership Awareness Month!

*Did you know that March is Community Association
Membership Awareness Month, as proclaimed by Mayor
Naheed Nenshi?*

Did you also know that there are 150 community associa-
tions in Calgary that are run by your neighbours? In fact,
more than 20,000 volunteers are involved in community
associations here in Calgary, making it the LARGEST col-
lective volunteer movement in the city!

Throughout the month of March we encourage you to
"be part of it" and find out what your community associa-
tion can do for you! It's easy and you may be surprised
by the many benefits and options available to you as a
resident.

Community associations are run by your neighbours,
they bring residents together, they provide endless op-
portunities right in your backyard, and they act as a voice
for your community. Most importantly, these hard-work-
ing volunteers are dedicated to making sure your com-
munity is a great place to live, work, and play. Purchasing
a community association membership is a great way to
get involved and show your support for the many ways
your neighbours work to ensure you love where you live.

For example, this very community newsletter is just one
of the many ways your community association works to
keep you informed on events, topics and issues of interest
close to home, written and compiled by your neighbours.

Your community association wants to get to know you
and hear from you. They want you to feel safe and love
where you live. Most importantly, they want you to be
part of it! So take a minute during March Community As-
sociation Membership Awareness Month and find out
more about yours and how you can get involved.

nity Association Membership Awareness Month please

A father Emperor penguin withstands the Antarctic cold for 60 days or more to protect his eggs, which he keeps on his feet, covered with a feathered flap. During this entire time he doesn't eat a thing. Most father penguins lose about 25 pounds while they wait for their babies to hatch. Afterward, they feed the chicks a special liquid from their throats. When the mother penguins return to care for the young, the fathers go to sea to eat and rest.

Calgary Well-Being Survey:

Immigrants' Perspectives

The Calgary Local Immigration Partnership, together with the Immigrant Sector Council of Calgary, and with the support of The City of Calgary, the United Way of Calgary and Area, and Citizenship and Immigration Canada (CIC), is conducting a survey aimed at understanding the economic, social, cultural, and political well-being of immigrants in Calgary and the extent to which Calgary is perceived as a welcoming community for newcomers. We are particularly interested in learning about immigrants' perspectives and experiences with regards to employment, housing, social life, health, and education.

Local Immigration Partnerships are community-based partnerships funded by CIC aimed at supporting immigrant settlement and integration in Canada. Unfortunately, many immigrants still face barriers which prevent them from becoming fully involved in the economic, social, cultural and political fabrics of the city. Developing Calgary's capacity to be a welcoming community creates a more vibrant and prosperous city for all.

We hope to survey upwards of 1,000 immigrants who are residents of Calgary throughout February and March in different sites across the city - so look for our data collectors!

Surveys will also be available online from February 10 until March 10. All online participants will be entered into a draw for a gift card.

The survey will be available at www.isccalgary.ca or www.calgarylip.ca.

Should you have any questions or concerns, particularly during the time of data collection, please contact gmoothi@isccalgary.ca.

Government Pay Cuts

At the time of writing this, I'm assuming the Member Service Committee will vote on MLA salaries being cut 5 percent. While I support this, I believe the MLA salary should be reduced by 8 percent.

Effective February 1st, Premier's salary will decrease by \$10,887.50 from \$217,750 to \$206,862.50 while Speaker Gene Zwozdesky and cabinet ministers' salaries will all decrease by \$10,050 from \$201,000 to \$190,950. While I am pleased by any cuts to MLA pay, the Premier should have rolled back ministerial compensation by 30 per cent and MLA base pay by 8 percent in order to reverse the extra \$11,000 in RRSP contributions equivalent to an 8% pay increase that the PCs voted themselves in 2012. What he's done is merely "window dressing". If our plan were implemented, taxpayers would save around \$1.4 million and Albertans would see real leadership.

Budget and Taxes

It's no secret that the drop in oil prices is going to mean some tough decisions are going to have to be made as the government prepares its 2015 budget. Some of the ideas being considered include increasing or creating new taxes. Whether it's income tax hikes, a PST, or increased gas taxes, I've made it clear that I personally, oppose those measures. The government should look at getting its spending in order before asking Albertans to pay more.

Return to the Legislature

The spring sessional calendar has been released and we now know that the legislature will resume sitting on March 10. I am eagerly anticipating whatever legislation the government may bring forward. The 2015 Budget is expected to be introduced sometime before the end of March. I will be sure to keep you informed on what that budget means for the constituents of Calgary-Fish Creek.

Online Camping Reservations

To help visitors connect with the summer camping season sooner, the Reserve.AlbertaParks.ca online campsite reservation system has launched to accommodate pre-booking of campsites.

The system opened for Group Camping bookings on February 9; then Regular Camping reservations on February 17; followed by Comfort Camping bookings which began on February 23.

Important Information from Enmax

Enmax has advised a phone scam is occurring in Alberta. Scammers are saying your electricity bill (from ENMAX or another retailer), is overdue and must be paid right away or your power will be cut off.

If you're concerned about your ENMAX account, sign in to your ENMAX account online and make sure your information is correct, or call our Customer Care Team at 310-2010.

COUNCILLOR, WARD 14
PETER DEMONG
www.calgary.ca/ward14
ward14@calgary.ca or 403 268-1653

Hello Ward 14! We're nearing the end of winter, and there are already two Aldertalk sessions behind us. If you want to talk about one (or more) municipal subjects, join me at the Mid-Sun Community Centre on March 14, from noon to 2 p.m. If you can't make it in March but still want to join, then visit www.calgary.ca/aldertalk for upcoming dates.

Many interesting topics come up at Aldertalk; topics like street lights. That topic came up at the January Aldertalk, and there are some big changes coming in the near future. I am very happy to be moving these changes forward.

Council has approved city-wide retrofitting of street lights. The southeast of the city is scheduled for a complete retrofit in 2016. The street lights will be converted to take LED bulbs. They will save money, and save the environment.

Over the 2015-2018 timeframe the City will replace about 90,000 streetlights with LED fixtures, and although the estimated \$32 million initial cost might seem large, the financial benefit to the City is well worth it in the long term. LED lights use less electricity for a similar quality of lighting, and need to be replaced less often. LED lights are directional, so they waste less light. This results in better energy conservation, efficiency, and less light pollution in the night sky. LED lights will reduce the City's operating costs by \$50 million over ten years—a cost recovery period of only six years.

The conversion will take place in two phases. First, they will be installed in a handful of communities to gain insight, and will then be installed city-wide. If you're in the neighbourhood, why don't you check out the future of street lighting? You can find out where to go by searching "LED lights" on www.calgary.ca.

Did you know? There are some slight differences in blue and black cart pick up.

While you can expect the garbage man to pick up any extra waste that won't fit in your black bin, you shouldn't expect the same for the recyclables you put in your blue bin. This is because the City's Waste and Recycling department won the contract to provide the blue cart service through a bid on a contract that stipulates cart collection only. There was no bid, or contract for black cart collection.

Famous Five District

So, did you mark your calendar? We hope so. Our annual carnival is Saturday, March 21, 2015 at the Queensland Community Center, 649 Queensland Drive SE. We sure hope you will join us for fun and friendship and help support the Girl Guides in your community. We'll have a bake sale, cake walk, silent auction, games, crafts and lunch room. Maybe even a few surprises. The hours are 11:00 am to 4:00 pm. Admission is a non-perishable food donation to the Calgary Interfaith Foodbank. If you are interested in donating to the silent auction, please contact Bonnie bonnieguideleader@gmail.com. Your support is most appreciated to provide a well-respected program for girls. I also heard that cookies may be available for sale at the carnival.

We are recruiting a district treasurer (volunteer) to help us with our financial management. If you have the skills and are interested, please contact Pat Istead isteads@telus.net to set up an interview.

And yes, we are still accepting registrations in some units. So if you are now ready to enrol your daughter, please visit girlguides.ca and look for the registration information.

You can always bring your extra recyclables to community recycling depots across the city, or store it to be collected later, and of course any material intended for the black cart can be left out for regular pick up. Just make sure that the waste is in a bag that is easily lifted with one arm, and is about one to two feet from the cart.

I am always interested in having a conversation about whatever colour cart, or variety of topic that you wish to discuss. Feel free to contact me anytime! Also, don't forget that I send email reminders for Aldertalk, and other important happenings in Ward 14, but I need your consent to send them. You can state your consent via an email to ward14@calgary.ca. Goodbye for now!
