GREAT NEWS PUBLISHING HAS BEEN
PROUDLY SERVING DEER RIDGE
FOR 1 YEAR!

MESSAGE FROM THE DEER RIDGE BOARD

Summer in Deer Ridge is upon us...and so is **Movie In the Park!** The two dates for this years' Movie In The Park held at Yellow Slide Park are confirmed. Mark your calendars for **Saturday July 18 and Saturday August 22.** There will be free food and a raffle prior to movie (movie starts at dusk). Bring your whole family, your lawn chairs and blankets! Stay tuned for what movies will be showing, the times and some other fun things at Yellow Slide Park this year. Watch for details on our website/blog, Facebook and Twitter and look for signs around the community and at local businesses.

Thanks again to all the sponsors from last year's Movie In The Park events, totalling approximately \$3000 in giveaways and food donations. We had a large crowd both times and went through 408 hot dogs! You can see a complete list of sponsors on our website.

Deer Ridge is 35 years young this year! We will be celebrating this wonderful occasion at our first Movie In the Park event on Saturday July 18th. If you are interested in learning more about Deer Ridge and its' history, visit our website at www.deerridgeca.com. Please let us know if you have some stories, history, interesting facts or photos to share about Deer Ridge past and present, by emailing DeerRidgeCA@gmail.com.

Did you know that the first time that Deer Ridge hosted a Movie In the Park event was August 2002? Former Board member Roy Franco was the founder and lead organizer of Movie In The Park Deer Ridge. Here is a bit of background to how it all started in a Q&A with Roy.

When did Movie In The Park (MITP) Deer Ridge begin, how did it start and by whom?
(Roy) MITP started in the winter of 2001/2002 with a discussion with regard to what the DRCA could do for the community as summer event. Having gone on holidays in Montreal in the summer of 2001, I attended Montreal's annual "Eight weeks of summer -Movie in the Park" where they held a movie once a week in a different park in the city. I brought forward the idea of holding a similar event here in our community. Eric Daniels, former president at the

time liked the idea and we started putting the plans into action to hold the first MITP for summer of 2002.

Was the location for MITP Deer Ridge always Yellow Slide Park?

(Roy) The first MITP was held at the green space along Bow Bottom Road by the townhouses. The following years it was always held at Yellow Slide Park. I believe the first event was attended perhaps by around 100 individuals.

Do you remember what the very first movie was that was shown at MITP Deer Ridge?

(Roy) The movie Spiderman was released April of 2002 and I managed to book a copy for our first event. The weekend that we showed Spiderman with approximate attendance of 100, Montreal also showed the same movie at one of their parks with attendance of 3000.

To date, what summer had the biggest turnout?

(Roy) Attendance starting growing when word got around as to what MITP was all about and the idea was being promoted to the surrounding communities as well. I believe it was year 3 or 4 is where we had numbers estimated at about 600 attending our events.

How has MITP Deer Ridge changed over the years?

(Roy) Of course over the years the demographics changed: all the young kids living in Deer Ridge grew up and many left the community, so the attendance had dropped off but we will probably see a growth in attendance as new young families are moving into our community.

The biggest change that I've seen is how the community retailers have stepped forward and supported the event by donating food, drink and prizes for the draw, which we didn't have back at the start. I am glad to see that with a lot of hard work from those of us that have been involved with MITP since inception, that it has turned out to be a successful annual summer event.

Please come out and support your community this summer and have loads of fun with family, friends and neighbours!

Community contributions benefit students

Our focus as a board is on student success. We provide leadership by defining the CBE's mission, the results we want to achieve for students, and expectations for how the CBE operates. We then monitor actual performance against these expectations.

To do this work effectively, it's important that we connect with parents and communities on an ongoing basis to understand their priorities and expectations for student success. That is why we held a series of meetings earlier this year to hear from former CBE students, parents and business and community leaders.

At these meetings, we were encouraged to hear many people speak passionately about the importance of providing opportunities for students to develop into well-rounded citizens. While a student's academic success matters, many people said that it is not enough. To be successful in the future, students also need to learn how to participate in a democratic society, adapt to change, work as part of a team and much more.

When we hear these comments from so many people we can see that we're on the right track with our results for student achievement. However, we also heard one big concern with this approach. That is how difficult it is to measure achievement for non-academic results. We do recognize this is a challenge, and it's an issue we'll be looking at more closely. The many suggestions we received about ways to measure student success will be helpful to us.

We want to thank everyone who attended these meetings for their insights and suggestions. We also welcome additional comments, feedback and questions. You can contact the Board of Trustees at boardoftrustees@cbe.ab.ca.

Hi Ward 14!

Events! There are all sorts of events going on this summer. You will find a lot of them—like community clean-ups and pre-stampede gatherings—in the pages of this publication, and enduring the cold winter makes these events that much more enjoyable.

I know of two events that you will not want to miss. You should mark them in your calendar as soon as you're done reading.

The first is the Ward 14 Communities BBQ. For the past four years, Ward 14 has gathered to pay homage to the community associations that work so hard to ensure we can be proud of where we live. This year will be no different, except I hope it will be even bigger.

In my mind, the BBQ serves three purposes. The first I have already mentioned: to draw attention to the hard-working volunteers in Ward 14's community associations. The second is as an alternative to the traditional City of Calgary open house (yes, there will be all sorts of City departments there to learn from, and to speak with). Finally, you can get a free community association membership at the BBQ, and the community association still gets paid for it!

The sponsors and I will be working hard to make sure that you are entertained, and I will make sure that you get a tasty burger for coming. The Ward 14 Communities BBQ will be on Saturday, September 26 from 11 a.m. to 2 p.m. in the Southcentre Mall parking lot. I hope you can join!

The next event to mark in your calendar is Aldertalk, and anyone who has ever read my column is probably well aware of what it is. If you're not, then the best way find out is to attend with a topic that interests you, and an open mind. The final Aldertalk session of the season will take place in Walden for the first time thanks to ATB Financial. You can meet me at ATB's Walden location (#300, 151 Walden Gate SE) from noon to 2 p.m. on June 20.

If you want to receive information about either of these events, or about other ward, community, or City of Cal-

gary issues, I am more than happy to send it. You can sign up for updates at www.calgary.ca/ward14connect.

There is one more event to mention, but it is not one that you are likely to attend (in fact, it has already passed). It is the presentation of the Ward 14 Wordsmith Award, and it is my attempt to encourage learning in two topics that are dear to me: municipal government and the democratic process.

This year Jennifer Searl won the prize for her amazing essay about Canada's three levels of government. She won a tour of City Hall for her entire grade six class, she had her picture taken with the Mayor and I, and she was introduced in Council on TV. I hope she enjoyed herself!

Congratulations to Jennifer Searl of Willow Park School! It is great to see young people who understand the importance of democracy. Thank you to all of the teachers who try to instill that importance, and to all the students who participated! I can't wait to see what the schools of Ward 14 have in store for next year.

Goodbye until July! Until then, you can learn more about all three events at www.calgary.ca/ward14/events, and please don't ever hesitate to contact me.

your COMMUNITY business of the month

Bodeze Urban Spa

Deer Ridge Community

Bodeze Urban Spa is a boutique style, full service spa. We have been in business for over 14 years. Our staff is proud to be certified or registered with years of experience. Did you know the province of Alberta does not require estheticians and nail technicians to be certified? Is your current esthetician or massage therapist?

Our commitment to your health and safety at Bodeze Urban Spa

At Bodeze Urban Spa, the safety and health of both our guests and employees is a top priority and of utmost importance! We have sought out the very best in safe hygiene practices and comply with strict Health Canada regulations so that you can truly relax during your treatments.

We abide by all rules and standards set out by Health Canada, and we take a tremendous amount of pride in providing our clients with the safest and most effective procedures to ensure that each and every visit is a truly amazing experience.

All metal and re-usable instruments must, by law, be sanitized and disinfected with a medical/hospital grade disinfectant. Whenever possible, we use disposable instruments such as nail files, buffers, cuticle pushers, pumices etc. to ensure your safety. These tools are then immediately disposed of or can be taken home with you after your service.

We are extremely proud of our health and safety efforts, and we look forward to taking care of you soon!

THE BENEFITS OF MASSAGE THERAPY

There are tremendous benefits to be achieved through regular massage therapy treatments from a Registered Massage Therapist. Whether your need is to have a moment of relaxation, reduce muscle tension or attain relief from chronic pain, a therapeutic massage can enhance your overall sense of emotional and physical well-being.

Massage therapy can be an important part of your health maintenance plan by:

- Massage therapy can be used for the treatment of both acute and chronic conditions. RMTs can work with a wide variety of patients, of all ages, in the treatment of illness, injury, rehabilitation, disability and stress.
- Massage Therapists today use their knowledge of physiology and anatomy to combine traditional Swedish and modern massage therapy techniques with other therapies to treat their clients. There has been a wide variety of research, published in peer reviewed journals, proving the benefits of massage therapy for various conditions.
- Massage Therapy can also be used as part of a preventative care program. This includes sports training, injury prevention, ongoing stress management, and more! Together, you and your therapist will develop a treatment plan based on your needs. The treatment plan can be changed at any time and you have no obligation to undergo any part of treatment. Your treatment begins after you've given your informed consent.

We look forward to seeing you! From the Staff at Bodeze Urban Spa.

St. Boniface School

May was a very busy and exciting month! We started off with a school wide Young Authors Day on “Caring for our World” where students got to choose workshops that let them get creative with writing and various other inspirational activities. To end off the day Evergreen Theatre presented “Goldilocks and the Three Polar Bears”, which tied into our theme nicely as their presentation was about protecting our planet.

We celebrated Mary, our spiritual Mother, and all mothers at our beautiful Marion Celebration. Mary is a source of hope in our times of need and we join with her to be charitable and merciful people.

We ended the month with a Spring Art Walk evening where our community came together to celebrate the amazing artwork our students have created. Lastly, our students enjoyed dance week with Dance Kreations and were able to showcase their routines for our volunteers at our Appreciation Tea.

Our school looks forward to June as there are many activities planned such as Run, Jump, Throw for grades 3-6, a Big Family Group activity focusing on community service on St. Boniface Day, our community Garage Sale scheduled on June 6, the kindergarten orientation on June 11, our Sacramental Celebration, Play Day, and our closing Mass at St. Bonaventure parish on June 25.

SAFETY SYNC
ONLINE SAFETY MANAGEMENT SYSTEM

"An effective health and safety
management system can help prevent
losses, reduce costs and provide
evidence of due diligence."

A Safety Management System (SMS) is all about managing the safety interaction you have with your workers. It's an overall strategy to help you communicate information on hazards and best practices in your workplace so you can develop a stronger, lasting culture of safety within all stakeholders in your organization.

Ready to increase your home's curb appeal?

Whether you need a border between your grass and existing garden or thinking of creating a new garden Kilbo can help. With a variety of colors, stamps and profiles, landscape curbing is a cost effective and practical solution to residential and commercial properties. It will beautify your landscape and add value to your property.

It will not rust, rot or shift, and there are no seams for weeds to grow through.

Need your concrete re-sealed?

Kilbo can also re-seal existing curb, driveways, and walkways to bring back that brand new look.
