# Community Resources for Vulnerable Citizens

Calgary Alpha House Society is a local non-profit, charitable agency providing supports to men and women whose lives have been impacted by alcohol and other drug dependencies. Our work positively impacts Calgary communities by providing help to vulnerable citizens. In doing so, we divert individuals away from unnecessary uses of health care, criminal justice, and emergency systems by building relationships and connecting clients to more appropriate resources. Some of Alpha House's resources are listed here. We encourage you to use them where appropriate.

## MESSAGE FROM THE BOARD

We hope you and your family are keeping safe and happy, and that you're able to enjoy the blessings of time with those who live together with you in your home. And we hope that if you live alone, you are still able to keep in touch with family and friends. This is a time of re-setting our priorities, of understanding that supporting one another is so vitally important, and of knowing that the love we show for one another can save a life.

Some of us have never had the opportunity to spend time at home, catching up on those things that never seem to get done, spending a little extra time talking with loved ones, reflecting on where we want to go next or what our next chapter will bring, gazing at the night sky or the clouds in the afternoon. I know I've spent so many moments wishing I had the time for such simple pursuits, and here it is – perhaps not in the way I expected, but here it is. It's a reminder that our wishes can, sometimes unexpectedly, come true – if not always how we might have wished.

### Community Gardens

At time of writing, recognizing that things are ever-changing in these pandemic times, the Deer Ridge Community Gardens are still planned to start up again in May, weather permitting, around the Mother's Day weekend – watch the Deer Ridge website at <https://deerridgeca.com/> this month for communication about start up, plot availability, cost, and how to sign up.

### Membership

Deer Ridge Community Association Memberships are available for purchase anytime online at <https://deerridgeca.com/membership/> or by filling out the form in this newsletter. Membership is still only \$15.00 and applies to all residents of the same household.

Your interest in and support for our community make a difference!

### Deer Ridge Community Association Meetings

Please consider attending an upcoming community association meeting. These meetings are your opportunity to hear what's happening in your community, in your city, and in your province, from representatives of the City of Calgary, Calgary Police Service, and the Alberta Government. This is also when you will hear what we're working on and you'll have an opportunity to let us know whether we're on the right track, and what you think is important for your community.

The next meeting is a virtual meeting of the Board of Directors on May 19, 2020. If you have any questions or concerns you would like addressed, please email or call in advance.

Hello, Ward 14.

What a difference a month can make. I have occasionally reminded the readers of this column that because I must write it well in advance of the publication date (I am writing this in late March), some of the details might be slightly out of date. Never has that been truer than right now...

In the print version of my April column (which you will be receiving as I write this, and I wrote in February) two of the three topics—Counciltalk and Community Clean-Ups—are now cancelled to prevent the spread of COVID-19. In eight years of Counciltalk, not one has been cancelled until now. With the schools now closed, I have been forced to cancel the Ward 14 Wordsmith Awards for 2020 as well. We will be up and running again in 2021!

So how can we keep people informed when things are changing so quickly? One way is to share general websites that can be updated so people can refer to from time to time...

#### **City of Calgary**

Information and updates on the City of Calgary's response to the COVID-19 Pandemic can be found at [calgary.ca/covid19](http://calgary.ca/covid19).

#### **Province of Alberta**

For COVID-19 resources and updates, visit [alberta.ca/covid19](http://alberta.ca/covid19).

#### **Government of Canada**

Anything COVID-19 related from the Federal Government can be found at [canada.ca/covid19](http://canada.ca/covid19).

*Are you noticing a pattern?*

Another way to make sure you are not getting outdated info is to visit [calgary.ca/ward14newsletter](http://calgary.ca/ward14newsletter) for the updated and full version of this column. Feel free to contact me any time. The best way to do so is by visiting [calgary.ca/contactward14](http://calgary.ca/contactward14).

Hopefully by May we will be on our way to recovery. Stay safe and listen to the advice of health officials.

# Cooking with Krista

## Maple Sausage and Gouda Hash Browns with Poached Egg and Avocado

*Krista is a Calgary chef and busy young mom, who believes that preparing, fast, tasty and healthy, home-cooked meals is within reach for today's active families. Krista has a soft spot in her heart for Deer Ridge, where she lived and played, while obtaining her Red Seal Chef Certificate from SAIT Culinary School.*

If your house is anything like mine, breakfast is a **big deal!** On top of it all, with having the family home full time, I've had to get creative with meals so that nobody gets bored with their food! This versatile recipe can be used for breakfast, lunch or dinner and is always a hit with the fam!

For the hashbrowns, I used leftover baked potatoes from our dinner last night. I just peeled them and cut them into chunks. This cuts the cooking time in the morning down significantly. I actually always throw in a couple of extra potatoes when I do baked potatoes so that I have them on hand for this exact purpose.

### Ingredients:

2-3 previously baked potatoes

1/4 cup grated Dutch Gouda

6 maple breakfast sausages

1 avocado

1/8 cup sliced green onion

4 eggs

1/8 cup diced red pepper

1 Tbs vinegar

Cooking oil

Clubhouse onion burger seasoning

Preheat oven to broil. Peel and dice baked potatoes and gently mix onion burger seasoning and cooking oil with them. Lay flat in a baking sheet and place under broiler. Broil for 10 minutes or until the edges of the hashbrowns start to brown. In a separate frying pan cook breakfast sausages until browned and cooked through. Slice each sausage on the diagonal into 4 pieces. Mix the cooked sausages with the hashbrowns, green onion and diced red pepper. Place back into oven and continue to cook together for another 5-10 minutes, depending on your desired crispness.

Poached eggs - a lot of people are intimidated by poaching eggs, but I assure you, there's really no need to be. I use a deep sauce pan or frying pan because it gives me more room to pick the eggs up without feeling like I might break them. Fill the pan 3/4 of the way to the top with water and add 1tbs of white vinegar. Bring to a boil and turn the heat down so your water is simmering. Crack eggs one at a time into the water making sure to not drop from too high or they will stick to the pan. Let the eggs cook in the water until the whites are cooked through, and the yolk is soft. This takes approximate 4-5 minutes. Gently pick the eggs out of the water with a spoon and place on a paper towel.

To plate, place a generous pile of hashbrowns and sausage mixture on a plate. Top with grated Gouda, a poached egg, a few more sliced fresh green onions, salt and pepper, and some sliced fresh avocado.

*Enjoy!*
