# Community Resources for Vulnerable Citizens

Calgary Alpha House Society is a local non-profit, charitable agency providing supports to men and women whose lives have been impacted by alcohol and other drug dependencies. Our work positively impacts Calgary communities by providing help to vulnerable citizens. In doing so, we divert individuals away from unnecessary uses of health care, criminal justice, and emergency systems by building relationships and connecting clients to more appropriate resources. Some of Alpha House's resources are listed here. We encourage you to use them where appropriate.

Join us in creating community for everyone.

## 5 Excellent Reasons to Advertise in Community Newsletter Magazines

- 1. Top of Mind Brand Awareness:** Consistent advertising leads to increased sales. Companies maintain and gain market share when community residents are consistently reminded of their brands.
- 2. Payback:** Community residents trust, and call businesses that advertise in their community magazines.
- 3. High Readership:** 68% female | Even distribution of Millennial, Gen X, and Baby Boomer readers
- 4. Cost Effective:** With advertising rates as low as \$0.01 cent per household, advertising in our community magazines is incredibly affordable.
- 5. Geofence Your Audience:** Manage your budget, optimize your returns and target your audience by specific community magazines.

## MESSAGE FROM THE BOARD

### Tennis Courts

The tennis courts are open! Pursuant to the City of Calgary relaxing its restraints around city tennis courts, the Board of the Deer Ridge Community Association decided, in a special vote, to open the Deer Ridge tennis courts. Physical distancing rules are in place for the sake of everyone's health. The Community Association will not provide a port-a-potty at the tennis courts this year, as maintaining the required sanitation standards at that location would be too difficult without additional volunteer assistance.

### Community Garden

Planting began in late May, and the community garden plots are producing some great looking crops already. You may have noticed that there has been quite a bit of work done at the gardens this year. Not only has physical distancing signage gone up, but there is daily sanitation being done on all common surfaces and the port-a-potty. Each bed has been covered with a frame and mesh to keep out marauding wildlife. The planting beds were so popular this year that we sold right out of them!

### Explore Your Street Survey

The City of Calgary has an Explore Your Street Survey underway. The City is collecting our input to help them understand how neighbourhood streets are used. There are a variety of ways to share your experiences and observations of how our community streets are being used and the amenities, or lack thereof, that you have found there. You can submit the survey for as many streets as you like. Find the survey at: <https://engage.calgary.ca/exploreyourstreet>.

### Keeping Amenities in Our Community

Deer Ridge has been very fortunate to have been served well over the years by the businesses in the community and in the surrounding communities. Many of these are local small businesses, without a lot of wiggle room in their budgets. These businesses have suffered through COVID-19, losing revenues while costs continued, and they are now struggling to start up again. Even the Trico Centre, as large as it is, could fall to the significant losses in revenues that have been incurred during these last few months, and the significant costs it would take to re-open while maintaining disinfection and safe distancing guidelines.

These local businesses have been a mainstay and a backbone of our community. They feed us, they sponsor our events, help us to stay fit, ensure we don't have to go far to get the goods and services we need, provide discounts to community members, and help us collect community association membership revenues. If we want to continue to enjoy the convenience of having these businesses right here in our neighbourhood, we will now need to show them some loyalty and support as they work hard to recover. We urge you to show our local shops and services that you care by bringing them your business. Support our community – buy local!

### Deer Ridge Community Association Meetings

There will be no regular Community Association Board meetings during July or August.

**Mark Your Calendar** – This year, the Deer Ridge Community Association will hold its Annual General Meeting on Tuesday, September 15. Watch for details!

*\*Please watch the Deer Ridge Community Association website for meeting and event updates.*

# Cooking with Krista

## Peanut Butter Beef Sirloin with Spring Asparagus and Warm Tomatoes

Krista is a Calgary chef and busy young mom, who believes that preparing, fast, tasty and healthy, home-cooked meals is within reach for today's active families. Krista has a soft spot in her heart for Deer Ridge, where she lived and played, while obtaining her Red Seal Chef Certificate from SAIT Culinary School.

### Ingredients:

1lb Beef sirloin tips diced  
3 mushrooms  
1/2 onion diced  
1 tablespoon cooking oil

### Peanut Butter Sauce

1/3 cup water  
1/4 cup soy sauce  
1/4 cup peanut butter  
3 teaspoons brown sugar  
1 tablespoon lime juice  
2 garlic cloves, minced  
1/2 teaspoon crushed red pepper flakes  
1 teaspoon ground ginger  
1 Asparagus bunch  
6 to 10 Cherry tomatoes  
1 tablespoon butter  
Lemon herb seasoning

### Directions:

In a saucepan, combine all peanut sauce ingredients and put on medium low heat. Whisk often until sauce starts to thicken (this happens just before it boils). Remove from heat.

Turn your pressure cooker on to high heat and brown meat with a teaspoon of cooking oil, without the lid. Add onions and mushrooms and sauté for 2 to 3 minutes. Add your peanut sauce, and pressure cook on high with no venting for 1 hour. Release the pressure and ensure meat is tender. Serve immediately over rice topped with some green onions or chives.

### Spring Asparagus and Warm Tomatoes

Wash vegetables and place in a hot skillet with 1/4 cup of water, and lemon herb seasoning. Allow vegetables to steam over medium high heat, stirring often to ensure even cooking. Once the water has mostly evaporated, (the vegetables should be half-way cooked), add 1 tablespoon of butter, salt, and pepper. Continue to cook on medium high heat until the vegetables start to char but still hold a bright green colour. Remove from heat and serve with peanut butter beef and rice. Enjoy!

## Canada Day Broadcasting Corporation

There are few things as quintessentially Canadian as the CBC. Sticking with their patriotic roots, the first cross-country television transmission by the Canadian Broadcasting Corporation was on July 1, 1958. Additionally, their colour broadcasts were also started on Canada Day, eight years later, in 1966.

It is with mixed emotions that I write this July newsletter. As all of us are aware, COVID-19 drastically changed our world, but also many of our anxiously anticipated Calgary summer traditions. I will deeply miss the Calgary Stampede and Parade, my annual Stampede BBQ, SummerFest, Folkfest, Globalfest, Dragon Boat and the Chinatown Street Festivals, just to name a few on my annual calendar, but I know all of us have shown what Calgary is made of by working together to flatten the curve and in doing our part to strengthen our communities. Now is a great time to focus on not what we have lost but what we have gained through this process. I know that I have gained a greater appreciation for relationships with friends and family. Seeing and hugging loved ones after periods of distancing can mean so much, while I am sure many of you share my sentiments. I will no longer take face to face connections for granted. COVID highlighted our need for social connections.

This was particularly true within our seniors community where many were “locked-down” from family visitation. We learned quickly that our valued seniors were most vulnerable to COVID, while it also became clear that as a society, we collectively have a duty and obligation to protect. COVID has also brought to the forefront the need for a continuing care review. Throughout the summer and into the fall, I will be meeting regularly with industry stakeholders, seniors associations, family representatives, and home care providers to strengthen the legislation for the next generation of Alberta seniors as I Chair that process on behalf of the Minister of Health.

Legislative Session is scheduled until the end of July, with additional committee work into August. So, I will be dividing my time between Calgary and Edmonton, in service to my constituents, throughout the summer. I am, however, hopeful that we will have the opportunity to gather in the community, with appropriate distancing, by late summer or early fall.

Please reach out to my office at [calgary.fishcreek@assembly.ab.ca](mailto:calgary.fishcreek@assembly.ab.ca) or phone 403-278-4444 with any and all feedback. We have been doing many “virtual” meetings, “masked” notarizations, and assure you we will continue to be connected and accessible to our constituents. Please be vigilant and responsible in your personal actions, and visit [Alberta.ca/Covid19](http://Alberta.ca/Covid19) for regular updates.

Howdy, Ward 14!

For ten years now, I have begun my July column that way, and I never thought there would be a day when I would question if I should. The Stampede may not be taking place this year, but that doesn't mean we cannot display the strong sense of community embodied in it. Stampede or no Stampede, I hope you can take some time to enjoy this beautiful city when it is in full bloom.

#### **When It Roars, Stay Indoors**

Spectacular thunderstorms rolling through the city is a Stampede experience most of us can all relate to, and the absence of the Stampede will not mean the absence of these July storms. While they are exciting and beautiful, they can also do damage. Visit [calgary.ca/ward14newsletter](http://calgary.ca/ward14newsletter) for tips on how you can protect your family and property.

#### **Yard Smart**

For the last few months, a lot of us have been using more water at home than we typically do just because we are home more often. That may not be the case as much in July, but with lawns and gardens being watered, summer typically sees more water usage anyway. Water conservation is not only good for the environment, it is good for your pocketbook too. Visit [calgary.ca/ward14newsletter](http://calgary.ca/ward14newsletter) for some tips on how conserve water.

Feel free to contact me any time, and don't forget to visit [calgary.ca/ward14newsletter](http://calgary.ca/ward14newsletter) for the full version of this column. The best way to contact me is by visiting [calgary.ca/contactward14](http://calgary.ca/contactward14).

## The Guidebook for Great Communities- planning great communities for everyone

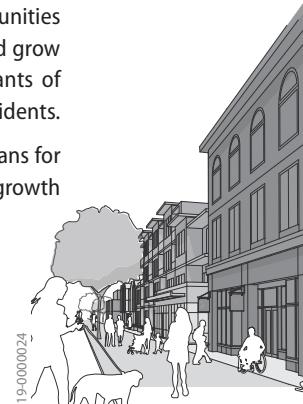

With the Guidebook for Great Communities, we're planning Calgary communities that offer people more choices to live, move, and gather. The goal is to plan and grow communities now and for the future. It's about balancing the needs and wants of current residents, while ensuring our neighbourhoods are appealing to future residents.

The Guidebook is a key tool used by citizens and The City to create local area plans for our communities. Together, The Guidebook and local area plans support future growth in communities, respecting each of their unique conditions and environments.

When our communities remain vibrant, so does Calgary.
