Safely Dispose of Pressurized Tanks and Canisters

Going camping, hiking, or hosting a barbecue this summer? Make sure you safely dispose of pressurized tanks, canisters, and aerosols (empty or full), including:

Take these items to a household hazardous waste drop-off at designated fire stations or City landfills for safe disposal. Do not put these items in your blue, black, or green carts.

When put in a cart, these items become a safety hazard for your collector and the staff at waste management facilities. Items can also damage collection trucks and sorting equipment.

MESSAGE FROM THE BOARD

Deer Ridge Community Gardens

The Deer Ridge Community Gardens are in full swing again this year, with happy and proud gardeners planting for summer harvests in every bed. In late April and in May, Mr. Bob Hall oversaw the organization of gardeners and volunteers who got the season started, made significant repairs to the beds, and completed the yearly spring maintenance. We are very grateful to our volunteers for their hard work, and to the City of Calgary for their donation of compost again this year.

Volunteering

Deer Ridge is very lucky to have dedicated volunteers helping to make this a great community. Volunteers organize and run our special events, help get us funding by working at casinos, and act as community ambassadors with a booth at local festivals and barbecues. We are very grateful to these volunteers, who come out not only to provide a special experience for community members, but also because there's a sense of accomplishment, fun, and camaraderie in working together on such worthwhile endeavors. If you'd like to join us in keeping good things happening in our Deer Ridge, please connect with us at DeerRidgeCA@gmail.com.

Membership

Membership is your ticket to vote at the Deer Ridge Community Association AGM, as well as to have a voice in what happens in your community, get the inside scoop on what's planned and what's happening, and be a part of making things happen. Membership in the Deer Ridge Community Association is still only \$15 for the year, and you can join using the form in this newsletter, or online at www.deerridgeca.com.

Deer Ridge CA Annual General Meeting

Deer Ridge Community Association will hold its Annual General Meeting on June 15 at 7:00 pm. Watch the Deer Ridge website for details. You must be a member and attend in-person to vote on any matters presented and to cast your vote for new and returning board members.

There will be no board meetings in July or August. Regular board meetings begin again in September.

Deer Ridge Community Walkways

Deer Ridge is lucky to have several walkways, catwalks, and shortcuts through the community – and some of these need significant repair. The walkways are maintained by the City of Calgary Roads Department. If you see a catwalk that is in need of maintenance or repair, please let the City know by calling 311, filling out a request on the City's website, or by using the City's new mobile phone app for service requests.

Thrilled that Summer is officially here? You bet! So, bring on long sunny days, sports and recreation for all ages and all that we cherish about this all too fleeting season. June brings musings on ambitious summer plans and ways to enjoy both our backyards and Alberta's beautiful bounty of mountains, streams, lakes and forests. I anticipate many will be welcoming family and friends, and celebrating community, as festivals and events gratefully get back into full swing.

Personal favourites of mine, after the many community-inspired parades, BBQ's and Movie Nights that I love, include Dragon Boat Races, FolkFest, GlobalFest, Chinatown Street Festival and of course, The Calgary Stampede. I hope that all will take the opportunity to get out and enjoy the hidden gems in our community, city and across the province in support of our tourism and hospitality sectors.

As for many of you, I love my music, with classic rock a favoured genre. Music brings us together in joy, appreciation and celebration, and I consider myself blessed to be a part of Parkland's Summerfest, scheduled to take us back a generation on June 25th with headliner April Wine. This is usually a sold-out event but reach out to Park96 for more information on tickets. A shout out as well to a couple of community volunteers that have been instrumental (pun intended) in bringing music to the community prior to and throughout COVID - Sylvia and Jacqueline. Sylvia at Cornerstone Music Café has long hosted summer serenades at the Café, and this year's "Community Festival In Your Neck of the Woods", brings a full day of free live music to Deer Ridge Plaza on Sunday June 26th from 10am-3pm. Many vendors and local organizations will be on site for your interest and enjoyment. Jacqueline was the brains behind the Community Stompede, now known as "Community IsoBreaker" that started as a remedy for the isolation and loss of community spirit we were all experiencing during strict COVID protocols in Spring of 2020. It was a welcome relief to be outside, socially distanced and enjoying the talents of our friends and neighbours. What started in Bonavista was exported to other communities to bring light and hope in a time of uncertainty. Community IsoBreaker will be continuing this Spring/Summer, so please check their Facebook page for dates/times. Sylvia and Jacqueline are examples of Calgary-Fish Creek's best. Local residents, local business owners and local volunteers extraordinaire!

Please mark your calendars for my annual Stampede "Hoe Down in the Downs", Saturday July 9th 11am-2pm in the parking lot at my office. We will have games, good food, and of course live music! Happy Summer everyone...and keep the feedback coming to ensure I can effectively represent you.

Deer Ridge Off-Leash Area

Deer Ridge is very lucky to have a lovely, large, and long off-leash area that surrounds the entire eastern boundary of the community that also circles around a good portion of the south side of the community. Not just an off-leash park, this area is a favourite short hike around our neighbourhood, with some excellent views and often in June, even some wildflowers; you don't need a dog to enjoy the walk!

Deer Point Community Festival – June 26

Deer Ridge is proud to once again be celebrating our great community at the Sixth Annual Community Festival, on Sunday, June, 26, from 10:00 am to 3:00 pm. at Deer Point Plaza (14919 Deer Ridge Drive SE).

Come and enjoy local music, artisans, businesses, and food. Connect with other families and friends, enjoy a variety of children's activities, and learn more about the non-profit organizations that help make our area great.

Deer Ridge Community Association is a sponsor and provides volunteer support for the festival. Please come and visit our booth, say hello, and see what fun activities we have for kids this year. Look for more details on our website and Facebook page.

Deer Ridge Community Cleanup

Deer Ridge will again partner with the Queensland Diamond Cove Community for our annual Community Cleanup. Dumpster bins will be on site at Queensland Community Hall (649 Queensland Drive SE) on Saturday, July 9, at 9:00 am. Volunteers will be organizing smooth traffic flow, so you can drop off your unwanted large and small household and yard items, with no disposal or landfill charge. Check what you can dump at the Community Cleanup at: <https://www.calgary.ca/cspabs/partnership-programs/community-cleanups-items-we-accept.html>.

City of Calgary Free Stay 'n Play and Park 'n Play Programs

The City of Calgary is once again offering free Stay 'n Play and Park 'n Play dates in our area. The programs will run at Deer Run School (2127 146 Ave SE) from July 11 to 15, and at Haultain Memorial School (605 Queensland Drive SE) from August 2 to 5. Times are available at the following link, as are listings for a variety of other free, all-ages City events: <https://www.calgary.ca/cspabs/free-activities.html>.

Hello Ward 14!

I don't know about you, but I am seriously looking forward to enjoying the vibrant, active summer that has been put on hold for a few years now (he says as he knocks on wood). I want to start this column with a quick correction of something that you might have read in my April column. In it I stated that our "pre-sweeping" of city streets before our full street sweeping campaign saves the City on wastewater treatment. What I meant to say is that it saves money on storm water management, which makes much more sense. Pre-sweeping means less material enters storm drains, and that means less maintenance for the system long term, and less need to send crews out for blockages.

Visit the online version of this column at calgary.ca/ward14newsletter. In it, I will go into details about a few topics: watershed areas in Calgary, Seniors' Week, Bike Index, and how to sign up for TIPP to pay your property tax in installments. I hope you find these helpful.

Feel free to contact me any time, and don't forget to visit calgary.ca/ward14newsletter for the full version of this column. The best way to contact me is by visiting calgary.ca/contactward14 or calling 403-268-1653.

Volunteers

What would we do without volunteers? Volunteers are those unsung heroes who make the world around us much more pleasant, more vibrant, and considerably easier with their efforts on our behalf. And their reward? Well, actually, there are many rewards to volunteering:

camaraderie, meeting new friends, helping others, learning new skills, seeing your community grow, and most especially, seeing the enjoyment of those who benefit from the results of your efforts. There is no better way to increase your happiness than by helping others. Come and join us – be a volunteer!
