MESSAGE FROM THE BOARD

It's spring time in Deer Ridge! Whether you have planned Easter activities this April, or are just ready for some outdoor fun, there's a lot of things going in our community this season. Take some time and enjoy what the warmer weather has to offer!

City of Calgary Compost Giveaway

If you're a Calgary resident looking to save on soil amendments and fertilizers this spring, The City of Calgary has you covered. The complimentary compost available to residents can be used in yards and gardens. It is produced from food scraps and yard waste collected through the Green Cart program. The 2026 Compost Giveaway bookings will open March 31. Online appointments will be released at 8:00 am for pick up between April 13 and May 2. Compost will be available for pickup from April 13 to May 30, 2026 by online appointment only at Shepard (South) and Spyhill (North) landfills.

- Appointments will be released in time slots starting March 31 on this page: <https://www.calgary.ca/waste/residential/green-cart-compost-giveaway.html>. Check on March 31, April 28 and May 12 to find newly released appointments, plus available time slots due to cancellations.
- To ensure there is a fair opportunity for all residents to pick up compost, households may only pick up compost once during the 2026 Compost Giveaway. Remember to mix your compost with soil. Please note that people with multiple bookings may have their appointments cancelled.

Community Clean-Ups

Community Clean-up events make it easier to dispose of household items that do not fit in your black cart. They take place across the city from April 25 to October 2026. Events are held on Saturdays and Sundays from 9:00 am to 2:00 pm. They are open to all residents, regardless of where you live. The Queensland Diamond Cove Community Association (649 Queensland Drive SE) will be having their community clean-up on Saturday, May 30, 2026. You can check the city-wide schedule starting in April at: <https://www.calgary.ca/waste/drop-off/community-cleanups.html>.

YardSmart Rain Barrels

Using a rain barrel is a great way to capture and reuse rainwater in your yard. Capturing rainwater helps

keep your plants healthy and reduces the amount of city water you use. Rain barrels can also help reduce stormwater runoff in our creeks and rivers.

The City of Calgary's rain barrel rebate program is returning in 2026 and is delivered through Green Calgary.

Program details (2026):

- Rebate amount: \$50 per rain barrel.
- Rebate is a flat \$50 per eligible rain barrel (storage container only), regardless of size.
- Accessories/add-ons are not eligible for rebate. Rain barrels must be an original sale (not resale).
- Maximum rebates per household: three (up to three rain barrels).
- Receipt timing: receipts must be dated within 12 months of your application date (examples below).
- Application period: April 1, 2026, to October 31, 2026 (or until available funding is fully allocated).
- Funding: up to 3,500 rebates are available (first come, first served, while funding lasts).
- Processing time: please allow four to six weeks to receive your rebate once your application is complete and approved.

For more information, please visit: <https://www.calgary.ca/water/programs/rainbarrel.html>.

Casino Volunteers Needed

Our major fundraising casino will be held on Tuesday, August 25 and Wednesday, August 26 at the Deerfoot Inn and Casino.

Volunteers are needed to fill various positions. Day shifts are 11:00 am to 7:30 pm. Evening shifts are 7:00 pm to 3:30 am. Count room is 11:00 pm to 3:30 am.

This is a great opportunity to meet your neighbors and help ensure AGLC funding is available to the community for facilities and programs such as a new park shelter, ice rinks, tennis court, replace aging playgrounds, youth programs, and special events like Family Skate Days and Movie in the Park.

Training is provided and meals are no expense to the volunteer. Transportation is available if needed.

Please mark your calendar and contact us to volunteer at: DeerRidgeCA@gmail.com.

Upcoming Board Meetings

The Board of Directors meet monthly on the third Tuesday of each month. Our next meeting is Tuesday, April 21, 2026 at 7:00 pm. Please contact us at DeerRidgeCA@gmail.com if you are interested in attending, volunteering on the Board, or if you have anything you would like the Board to discuss at the meeting.

Family Day Skate

The Deer Ridge Community Association's Family Day Skate, which took place on Monday, February 16, 2026, was a success, despite the unseasonably warm month which made it challenging to maintain our skating and hockey rinks! Thanks to Bob Hall and his rink maintenance team, we had great ice for a day of family skating and ice painting! Many thanks also go out to our other volunteers, from donating milk containers for the paints, mixing the paints for the ice painting activity, cooking the hot dogs, arranging for the coffee and hot chocolate, putting together the goodie bags, and setting up and taking down the event at our Deer Ridge rinks. Also, thanks to everyone who came out on this beautiful and warm Monday to enjoy their Family Day with us!

How Past Trauma Affects Our Romantic Relationships

by Nancy Bergeron, R.Psych | info@nancybergeron.ca

All of us enter a relationship with a nervous system shaped by our past. If we have experienced trauma, whether from childhood, past relationships, or significant life events, our nervous system learned ways to protect us. These protective responses don't turn off automatically when we enter a loving relationship. They often show up most strongly in close relationships because intimacy involves vulnerability.

Trauma doesn't just live in our memories. It lives in our expectations, emotional reactions, and our body's sense of safety.

1. Trauma Shapes How Safe We Feel with Closeness

If we learned that people were unpredictable, hurtful, or unavailable, our nervous system may stay alert for signs of danger, even with a caring partner.

This can look like: Difficulty trusting fully, expecting rejection or abandonment, feeling uneasy when things are going well, and watching closely for changes in mood or tone.

This isn't intentional mistrust. It's the nervous system trying to prevent future pain.

2. Trauma Influences How We Respond to Conflict

Conflict can feel threatening to those of us with past trauma because it activates fears of loss, abandonment, or emotional harm.

Different people respond in different protective ways: Some pursue and seek reassurance, some withdraw and shut down, some become defensive or reactive, and some become overly accommodating to avoid tension.

These reactions are usually about protection, not rejection of the partner.

3. Trauma Affects Emotional Regulation

When we have experienced trauma, our nervous system can become more sensitive. Emotional reactions may feel stronger and harder to calm.

This can look like: Feeling overwhelmed more easily, difficulty calming down after an argument, shutting down emotionally, and feeling intensely hurt by situations others might handle more easily.

This is because the nervous system is responding not just to the present moment, but to past experiences as well.

4. Trauma Creates Protective Patterns in Relationships

Many behaviours that cause tension in relationships actually began as survival strategies.

For example: Withdrawing protects from rejection, controlling situations protects from unpredictability, seeking reassurance protects from abandonment, avoiding vulnerability protects from emotional pain.

These patterns are attempts to stay safe, even if they unintentionally create distance.

5. Trauma Can Lead to Misunderstandings Between Partners

Without understanding trauma, partners may misinterpret each other's protective responses.

One partner may think: "They don't trust me, they're too sensitive, or they're emotionally unavailable."

The other partner may actually be feeling: "I don't feel safe, I'm afraid of being hurt, or I don't know how to calm my nervous system."

Understanding this difference is essential.

6. Trauma Often Shows Up Most Strongly in Close Relationships

This can be confusing for couples. We may function well in other areas of life but struggle emotionally in our relationship.

This happens because romantic relationships activate vulnerability, emotional dependence, fear of loss, and deep attachment needs.

These are the same areas where our past wounds often exist.

7. We Can Help Each Other Heal

Healthy relationships can help reshape our nervous system over time.

Healing happens through consistent experiences of: emotional safety, reliability, calm responses during conflict, repair after misunderstandings, and feeling seen, heard, and understood.

Over time, our nervous system learns that closeness can be safe.

8. The Most Important Thing for Us to Understand

Most difficult reactions in our relationships are not intentional attempts to hurt each other. They are usually protective responses rooted in our past experiences.

When couples shift from asking "What's wrong with you?" to asking "What happened to you?" it creates space for understanding instead of blame.

And when we both understand that these responses come from protection, not rejection, we can begin working together instead of against each other.

Support Victoria Fortuna and Her Family After a Tragic Highway Accident

In the early evening of February 8, 2026, the Fortuna family's life was forever altered by a devastating and senseless accident.

Victoria, a 21-year-old student at MacEwan University, and her father, Paul Fortuna, 53 years old, were the innocent victims of a horrific and tragic vehicle accident that occurred in Edmonton, Alberta. Sadly, her father, Paul, succumbed to his injuries at the scene, and Victoria has been left with catastrophic, life-threatening, and life-altering injuries. She is currently fighting for her life and receiving critical medical care at the University Hospital in Edmonton.

Donate to this GoFundMe by scanning the QR code to help ease the inconceivable financial hardship the Fortuna family is facing. The family is deeply grateful for the kindness, prayers, and support they have already received. Your generosity, through a donation or by sharing this GoFundMe, will allow them to focus on supporting their beloved Victoria through her long recovery journey. It takes a village and every donation counts.

Thank you for standing with them during this unimaginably difficult time.

Dear Constituents of Calgary Midnapore,

As Calgarians, we always hold out hope that *April showers will bring May flowers* (but I've lived here long enough to know that we may have to wait until June to see those blooms!). Regardless, this beautiful season of renewal is upon us—and this month, families across the riding will celebrate Easter, a significant event in the Christian calendar. I wish one and all a meaningful and joyful weekend with loved ones. Thank you to the Legacy, Chaparral, and Willow Ridge Community Associations for bringing neighbours together (especially wee ones) together for Easter egg hunts—I enjoyed contributing some chocolates and prizes!

A big shout out to the Willow Ridge Community Association for hosting another fantastic Civic Affairs Open House late last month! My team and I had a wonderful time engaging with constituents. Thank you to everyone who entered my contest to win a “Canadian Pride” door prize. The lucky winner will be notified by email.

As for my work in Ottawa, I remain focused on advocating for a lower cost-of-living and a more judicious use of Canadians’ hard-earned tax dollars. I continue to stand up for Alberta and alongside my Conservative colleagues, am pushing Mr. Carney to get pipelines built and show Alberta the respect it deserves in Confederation. This province fuels the nation and failing to listen to Albertans will not end well for anyone.

You can stay up to date on the work I am doing on your behalf by following me on social media and by subscribing to my e-newsletter at www.stephaniekusiemp.ca. While on my site, check out the Services tab to see what else we can help you with!

Sincerely,
Stephanie

As spring is approaching, I look forward to spending time at Fish Creek Park when I am not in Edmonton for Spring Session! I hope everyone has the opportunity to explore the beautiful park as the weather warms up!

As part of the Alberta government’s priority to ensure all Albertans have access to a primary care provider, the new Alberta Find a Provider website has been launched for families to search for doctors in their community. Currently, there are 11 doctors’ offices within the Calgary-Fish Creek constituency who are accepting new primary care patients! For more information, visit albertafindaprovider.ca. We encourage all families looking for primary health care providers to check the new website regularly for updates and additional clinics added.
